Mr. Ed Danberry

Civic Duty Partners, Inc.

January 18, 2018

Dear Mr. Ed Danberry,

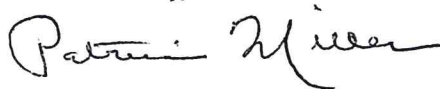

Thank you for your very generous contribution of a new computer in support of Hunterdon County Historical Society. We appreciate that you recognize the valuable work we do!

As we implement our new strategic plan so that we may continue to preserve Hunterdon history for another 132 years, it is the dedication and enthusiasm of people like you who will make certain the Hunterdon County Historical Society will grow and prosper. I was thrilled to get your call and offer around the holidays. It was a pleasure to meet you too!

I will stay in touch and let you know how everything is working. It certainly will be an improvement over the antique system we were using!

Thank you again for supporting the Society. All our best for 2018.

Most sincerely,

Patricia Millen

Executive Director and on behalf of the Board of Directors of the Hunterdon County Historical Society
