Dear Ed & Maria,

Thank you for the generous donation you made to the Raritan Valley Chapter of UNICO. Our Harvest Moon Dinner Dance and Basket Auction was a great success.

A portion of our proceeds from this year's event was given to the Elle Foundation, a charity granting final wishes for children with a recurrence of cancer. Other monies earned will be used to purchase holiday gifts for veterans in need. Our organization also supports scholarships for local students, donations to local needy families for Thanksgiving & Christmas, and assistance to residents in need during times of hardship.

Your donation was a big help in assisting us to serve our community.

Sincerely,

Gerry Cicero
